WAHAWA WALAUWA
A Luxury Reserve

INTRODUCTION

Hidden beneath a canopy of a coconut plantation in Rambukkana, Jetwing Wahawa Walauwa stands as a testament to Sri Lanka's rich heritage and hospitality. Originally built in the 1870s as a grand residential mansion, it has been meticulously renovated to serve as an all-suite boutique villa.

While staying true to its architectural splendor, our home now features six elegant suites, a large open-ended communal dining hall, an inviting swimming pool that takes center stage amidst a landscape teeming with avian life, thought-provoking art that occupies the walls, and a personal butler to care for your every need. Here every moment invites you to rediscover the epitome of heritage luxury.

LOCATION

In the heart of Sri Lanka's lush Sabaragamuwa Province lies the quaint town of Rambukkana. Surrounded by lush greenery and a serene landscape, this tranquil haven offers a perfect escape from the bustle of everyday life while being just 1 hour and 30 minutes from the historic city of Kandy. Our homely villa is located 2 hours (95km) from the Bandaranaike International Airport and is an ideal base to explore the region's scenic and cultural landmarks.

SUITES

Our Walauwa features four Grand Suites and two Junior Suites, each thoughtfully designed to reflect the rich heritage of the mansion while offering every modern amenity needed for a luxurious getaway. Styled with period furniture and tastefully decorated with intricate ornaments, every detail captures the essence of its storied past. Featured in every suite is a spacious en-suite bathroom with a free-standing bathtub, a cosy nook to laze around in, and windows that frame magnificent views of our garden, inviting you to unwind in complete privacy and absolute luxury.
